

Videosec®

HT-120W

Single Output Switching Power Supply

Main Features

- Adjustable output:
11.4~13.2VDC, 10A (120W)
- Cooling by free air convection
- Suitable for LED lighting and CCTV applications
- LED indicator for power on
- 2 years warranty
- High efficiency, long life and high reliability
- All using 105long life electrolytic capacitors

Technical Parameters

Input	AC100-240VAC
Output	11.4~13.2VDC, 10A (adjustable)
Power	120W
Frequency	47 ~ 63Hz
Cooling	Free air convection
Over Voltage Protection	Yes
Over Current Protection	Yes
Short Circuit Protection	Yes
Over Load Protection	Yes
Operating Temperature	up to 70°C
Dimensions	16.7×10.4×4.7CM
Weight	0.49Kg
Packaging	Carton:48pcs/ctn, 53×41×24CM
