

XVR-201-8+2

H.264 5in1 Network Video Recorder

- 8 coax +2 IP channel input
- Max. 5MPix@5fps (AHD/TVI), 4MPix@5fps AHD bemenő jel
- Max 1080p@12 fps AHD/TVI/CVI bemenő jel + CVBS (960H)
- Coaxial or IP input can be switched per channel
- Support for ONVIF-compatible cameras from other manufacturers
- 1x HDMI + 1x VGA output max. FullHD resolution, CVBS Output
- Record up to 8 Megapixel IP Channel Resolution
- H.264 Video Format Support with Smart Encoding
- Multiple Intelligent Video Content (VCA) Alarms, intelligent VCA search
- Instant playback in live view
- 1 SATA HDD support, max. 8 TB / pcs
- Support UPnP, NTP, DHCP, PPPoE
- Cloud based remote P2P access (star4live.com)
- Mobile Application Access (GuardViewer)

Specifications

IP Video Input	8-ch (Support Coaxitron protocol) + 2 pcs IP ch
Audio Input	4-ch, RCA
HDMI Output	Max. 1920x1080p/60Hz
VGA Output	Max. 1920x1080p/60Hz
CVBS Output	1 x BNC, 1.0Vp-p, 75Ω
Audio Output	1-ch, RCA and HDMI audio
Recording Resolution from Coax	8 x 5M@5fps(AHD/TVI), 8 x 4M@5fps(AHD), 8 x 1080P@12fps(4in1), 8 x 720P(4in1)
Multi Mode	Supported, Coaxial or IP input can be switched per channel
NVR Mode (only with IP cameras)	max. 10 pcs IP channel, max. 4K/8MP resolution
Incoming Bandwidth	40 Mbps
Outgoing Bandwidth	40 Mbps
Synchronous Playback	max 10-ch, depend of resolution
Compression	H.264, (from IP source: H.264+ and H.264+Smart Encoding)
Storage Interface	1 SATA interface - internal
Capacity	up to 8TB
Recording Mode	Manual- Motion detection - Scheduled - VCA event - Camera's alarm input
Record Search	Search by Date / Calendar / Event / Channel
Record Backup	Network, USB
Network Interface	1 x RJ-45 10M/100M self-adaptive Ethernet Interface
PTZ	1 x RS485, supporting multiple PTZ protocols
USB interface	Front panel: 1 x USB2.0, Rear panel: 1 x USB2.0
CPU	Hi3521A
Alarm Input/Output	-/-, Direct management of alarm inputs and outputs of SmartIP cameras
Power Supply	12VDC / 2A
Consumption (without HDD)	≤ 5W
Working Conditions	-10°C ~ + 55°C / Humidity ≤ 90% RH(non-condensing)
Dimensions / Weight (W/O HDD)	44 x 260 x 240mm / ≤ 1.12 Kg
